We **DO NOT** have cookie cutter packages. We will customize a solution for you. Please don't make your decision solely on price. Please talk with David about your needs. You'll soon see why we are different than other companies you may be considering. **If** you are basing your decision solely on price, we are not going to be the right fit for your needs.

Local Based Search with City Name in Keyword Phrase...

Example: Financial Planner Raleigh

National Level Search w/o City Name in Keyword Phrase...

Example: Auto Transport

\$2,500 to \$25,000 Per Month

(Based on Multiple Factors)

Most Local Based Search will **NOT** exceed \$5,000 per month on the high end in most cases. National based search can be as low as \$2,500 per month depending on competitiveness, strategies, previous SEO, goals, etc. **Just Ask!**
